J.F.K. Road affairs.

Jackie was a pretentious social digger as her Onassis marriage and Temperman affair showed.

Herb said on a Canadian talk show he gallantly left out that Jackie and R.F.K. had an affair.

He gets this from C. David Heyman who in "A Woman Named

#403-205 Bagot Street, Kingston, Ontario, Canada, K7L 5G8

Jackie" (Hyla Stuart, 1989)
Coincol R.F.K. was killed
by an arab, gun violation
in camera. Arab freed
and Hyla Stuart settled.
Heyman got story from
Robert Morrow!

Great sources!

He said he left out
Mary Meyer letters.

Although it is
never stated, the
implication is that
Mary Meyer and Monroe
were murdered to
"close their mouths."
What an absurd theory!
Judy Campbell is still
alive! If J.F.K. was
in the business of
"closing mouths", Judy
was the real danger
to him!

I couldn't believe
Summers video, "Say
Good Bye to The President."
Spotzer says Monroe
was going to call a
news conference and tell
all. A right wing cop
says she was murdered
The Housekeeper remembers
her story and says R.F.K. was
there that night. How can
